

Nova Decor - Bathroom Remodel Savings Checklist

10 Proven Cost-Saving Strategies for Your Next Bathroom Remodel

- Keep plumbing fixtures in place to avoid costly relocations.
- Refinish or repaint vanities, tubs, and cabinets instead of replacing.
- Shop clearance tiles and materials from local suppliers in Markham/Vaughan.
- Mix high/low finishes: splurge on a statement piece, save elsewhere.
- Consider DIY for painting, demo, or finishing touches—leave technical work to pros.
- Request transparent contractor quotes with all inclusions detailed.
- Build a 10–15% contingency buffer for unexpected costs.
- Reuse lighting or mirrors where possible; upgrade only if essential.
- Compare multiple supplier quotes to get the best pricing.
- Work with a trusted local contractor for cost efficiency and long-term value.
